

ASSIGNMENT

WHEREAS, We, **Daniel A. Fratello** of Golden, Colorado; **James Johnson** of _____, Kansas; **David M. Gauthier** of Denver, Colorado; **Dennis McCadden** of Wheat Ridge, Colorado; and **Matt Lambert** of Denver, Colorado; have invented certain new and useful improvements in **FLUID EMITTING NOZZLES FOR USE WITH VEHICLE WASH APPARATUS**, for which an application for Letters Patent of the United States is being made, said application having been filed with the United States Patent and Trademark Office on March 1, 2004, and may be identified in the United States Patent Office by Application No. 10/791,340.

Whereas, **Mark VII Equipment, LLC**, a corporation organized and existing under the laws of the State of Delaware, and having its principal offices at 5981 Tennyson Street, Arvada, Colorado 80003 USA, is desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained therefor;

Now, therefore, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration to us in hand paid by said Mark VII Equipment, LLC, the receipt of which is hereby acknowledged, we have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said Mark VII Equipment, LLC, its successors and assigns, our entire right, title and interest in and to said invention, said application, all divisions, continuations or renewals thereof, and the Letters Patent, both foreign and domestic, that may or shall issue, therefrom including all reissues or extensions of such patents including all of our rights under the International Convention, and we do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above-mentioned assignee in accordance herewith.

We hereby authorize the above-mentioned assignee, its successors and assigns, or anyone it may properly designate, to insert in this instrument the application number of said application when ascertained.

We further authorize said assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention.

Upon said consideration we do hereby covenant and agree with the said assignee, its successors and assigns, that we will not execute in writing or do any act whatsoever conflicting with these presents, and that we or our executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said assignee, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors and assigns, may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

In Witness Whereof, we have hereunto set our hands and affixed our seals on the date indicated by the Notary Public or witnesses.
